

ACKNOWLEDGMENTS

Ecological Society Green Salvation expresses sincere gratitude to the sponsors, whose long-term support allows providing legal assistance to people. Using pre-trial and judicial methods, our organization protects human rights on life in the environment favourable for health and well-being, thanks to the National Endowment for Democracy (USA) and The Sigrid Rausing Trust (UK).

The editorial staff of the Green Salvation Herald expresses their deep gratitude to all those who assisted in preparation of the materials of this issue for publication.

Special thanks are given to Sofya Tairova for her tedious work on translations.
